KERALA STATE ELECTRICITY BOARD

NOTIFICATIONS

I

No. Plg. Com. 3193/76. *9th December 1977.*

The revision of street light tariff promulgated through B.O.No. TR.II-3193/76-II dated 28-4-1976 has caused widespread resentment among the local bodies. With a view to give some relief to the local bodies the K.S.E. Board considered the suggestions of the Government on merits and decided to amend the Board Order dated 28-4-1976 referred to above.

The Kerala State Electricity Board now, therefore in exercise of the powers conferred by sections 49 and 59 of the Electricity (Supply) Act, 1948 and the provisions of the K.S.E. Board General Tariff Regulations made under sub-section (J) of Section 79 of the Electricity (Supply) Act, 1948 published as B.O. No. Law/R 18557/66 dated 28-10-1966 as amended by Board Order No. D. Note.— 1. When public lighting is to be done after extension of fresh lines the consumer will have to guarantee minimum revenue return to the Board as required from time to time by providing suitable number of lights of sufficient wattage and sufficient number of burning hours per day or otherwise as required by the Board.

2. Where extension of fresh line is carried out utilizing interest free advances given by the local bodies the current charges due for the lights installed on such lines will be adjusted against the advance until such advance is so repaid by the Board.
